Jim,

The letter to was mailed on Tuesday, yesterday morning. I am not sure how long it will take to get to Wilmington. I would guess 3-4 days?

Garland and I made comments on the draft response back to from our counsel. We will have to circulate the draft internally before sending to Leon.

I will keep you informed on progress.

Steve

Hi Steve,

Can you please confirm if Olin's data package to has gone in the mail? I can't mail EPA's letter to until I know they have yours.

I'd also appreciate a quick update on the access issue at and specifically to know if any response from Olin has gone out to,

Thanks,
Jim
